- 1) Your child's full name and age
- 2) The Moose Boost class(es) you would like to register for
- 3) Parent(s) email address and phone number

## Moose Boost– Class Descriptions

Kindermusik: The number one music and movement program for kids, is ready to sing and play at Dancing Moose! Research proves that music is the best activity for enhancing every area of a child's development. Our classes immerse your child in a rich, developmentally appropriate environment while our multi-sensory approach to learning will improve his ability to think, reason, create and express. Join us as we sing, sway, laugh and play together while fostering social, cognitive, language and emotional growth through the joy and power of music. Your child will delight in this class where we sing, dance, play instruments, imagine and more!

Fall Arts & Crafts: This class will be a very fun and festive class, where students will be able to explore their creativity through a variety of arts and crafts centered around Fall! Children will be able to create a new art project each week and bring their creations home!

Beginning Guitar Lessons: This class will cover the basic beginning skills for children who wish to learn how to play the guitar. Taught by one of our Dancing Moose teachers, Ms. Katie will be spreading her love for music as she instructs a small and intimate group of students who would like to learn this beautiful instrument with hands-on experience.

Jazz & Ballet: A fun dance class that will cover Ballet and Jazz dance skills and technique. Students will also learn choreography and performance skills. This class will teach children to have a love for all types of dance, gain confidence and performance skills.

Soccer: This class will teach many of the basic skills of soccer (such as passing, dribbling, shooting) through a variety of short drills and fun games. Children will practice teamwork and strategy with their peers as they scrimmage. This will be a very high-energy class where students can stay active while learning skills and cooperating with their peers.

Love & Logic for Parents: Raise children who are self-confident, motivated, and ready for the real world with this win-win approach to parenting. Your children will win because they'll learn to solve their own problems while gaining the confidence they need to meet life's challenges. And you'll win because you'll establish healthy control—without resorting to anger, threats, nagging or exhausting power struggles. Parenting with Love and Logic puts the fun back into parenting!
